

CVap® HOV-05UV Flip Door Holding Cabinet

The CVap HOV-05UV Flip Door is the latest addition to Winston's CVap Holding Cabinet line. Factory pre-set controls are plug-and-play simple (and programmable). See-through doors make it easy to inventory at a glance. All-new patent-pending magnetic hinges keep flip doors in place, making refilling and packing easy. CVap Technology keeps food hot and fresh, until its ready to serve.
