

**NEW!**

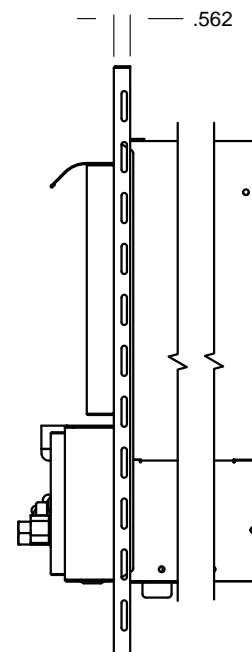

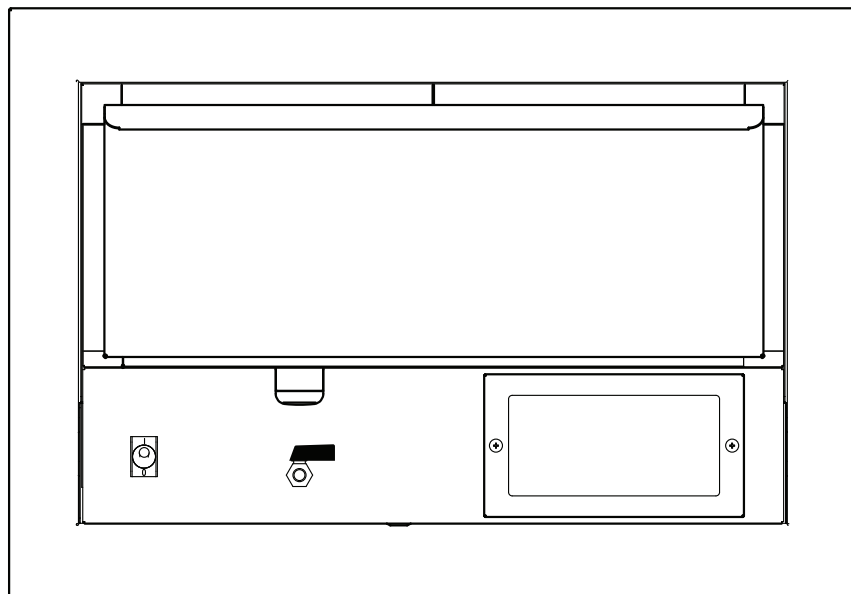

## **Give Your Front of the House a Clean New Look!**

Winston's new Drawer Trim Kits give your front of the house drawer service a sleek, clean appearance. OEM trim improves aesthetics without impeding the ventilation and function of the drawer. Available for all CVap HBB models. - Kits AC1018, AC1023, AC1024, and AC1025.

*Fabricated from stainless steel for a clean, consistent look that integrates with your FOH warming drawers.*

*Louvered sides allow heat to escape without being a distraction.*
