

NEW!

Add Mobility. Keep Stability.

The Leg Caster Kit upgrades any fixed Collectramatic® fryer into a more versatile, operator-friendly unit. Heavy-duty casters provide smooth mobility for cleaning, service, or kitchen resets, all without sacrificing the fryer's rock-solid stability or performance. Compatible with all Collectramatic® models. - **Kit No. AC1022-2**

- **Mobility:** Rolls easily for deep cleaning, maintenance, or quick kitchen resets. No heavy lifting, no hassle.
- **Cleanability:** Full access underneath and around the fryer simplifies sanitation and keeps you inspection-ready.
- **Flexibility:** Useful in kitchens where layouts change or space needs to be re-purposed.

- **Durability:** Heavy-duty legs and casters built are built to hold up in busy kitchens and can handle frequent repositioning.
- **Easy Installation:** Retrofits fast - no special tools, minimal downtime, ready to work
- **Stays Put:** Lockable casters keep the fryer firmly in place during operation, even when fully loaded.
